Welcome

TO FULL COLOR DIGITAL IMPRINTING

Welcome to an amazing full color world! A world where technology almost magically provides personalized one-of-a-kind products to enhance the image of your school, church, company or organization. A full color technology that recognizes and celebrates achievement and success and allows their memories to live on forever. And a world that can provide special gifts for the special people in our lives, where no amount of money could ever replace the sentiment that inspired them. Welcome to the twenty-first century world of full color digital imprinting.

Technically termed sublimation, this technology can take a photograph, a digital image, or a specially created graphic with over one hundred fifty thousand color combinations and be indelibly transferred to hundreds of personalized products that enhance your life. These vibrant, original products can be produced individually, or by the thousands, by trained specialists who are part artist, part craftsman, and part computer wizard!

In collaboration with your sublimation specialist, the pages that follow will hopefully spark ideas that distinguish your office space, generate fundraising revenues for your school, recognize achievement and greatness, or provide a unique personalized gift. Turn the pages, discover the magic.

Achievement

Momentous achievements in life deserve special recognition. A graduate student accepting her diploma after years of hard work and perseverance, the Sales Person of the Year receiving an award for his best year ever, an athlete kicking the final goal and winning the season for his team. Each person is a winner and deserves to be treated as such. Celebrate the moment with personalized full color products. Allow the memories and the glory to live on forever.

RECOGNIZE YOUR SUCCESS AND ACCOMPLISHMENTS

"The roots of true achievement lie in the will to become the best that you can become."

—Harold Taylor

Image

Whoever said “Image is everything” was onto something. It’s important to set yourself apart from the crowd. Your school, your church, your place of work, your sports team, and your drama club all help define the person you have become. Be proud of who you are, and how you got there. Wear your team logo, your church’s emblem or your name badge with a sense of accomplishment and belonging.

SET YOURSELF APART FROM THE REST

"Image creates desire. You will want what you imagine."

— J. G. Gallimore

Living

Your first holiday as a family, your 20th reunion, your youngest son's wedding day, your baby's first smile, the best round of golf you have ever played, getting an A in chemistry after working so hard all semester. Life is full of special moments — large and small. Cherish them all with unforgettable keepsakes that will live on long after the memories begin to fade.

CHERISH A LIFETIME OF MEMORIES

"Life is like playing a violin in public and learning the instrument as one goes on."

— Samuel Butler

Home Décor

Create spectacular one-of-a-kind pieces for your home. From serving trays to coat racks , custom labels to coasters, personalized full-color products will wow your guests and create an element of elegance in your home.

"Our personalized serving tray was a hit! Our friends loved it so much we had one made for them too! Thanks for making our home a little more special!"

— Sarah Klosterman

Office & Desk

The average person spends most of the day at his desk. Create a comfortable and professional environment with personalized products. From serving trays to mugs, coasters to wrist rests, we can give your second home a new look.

"Our boardroom was looking a little out of date. I decided to give it a new look by painting and having some personalized products made using our logo. What a difference! It looks like a whole new room!"

— Vanessa Smythe

Performance Wear

Work harder longer. Special fabric wicks away moisture while you exercise allowing it to evaporate and keeping you cooler. Now you can customize team training t-shirts or workout attire.

Notes

A large olive green area with horizontal dashed lines for writing, separated from the header by a white curved line.
